Dear Mike,

**Ethasan 70-30 Wipes  
Non-Dairy Maintenance Compound**

The product Ethasan 70-30 Wipes has generic approval and may be used in premises registered or approved under the Animal Products Act regime according to the general rules applicable to each subsection.

The chemical compound used in this product deems this product acceptable for generic approval, as per the Approved Maintenance Compound Manual, Part A, 4.1.7 under C44 sanitising wipes (page 13).

Yours sincerely,

Phillippa Skeet  
Adviser (Approvals Operations)
