Dear Glen,

RECOGNITION of Dairy Maintenance Compound

The product **Opal Securedet** has been considered in conjunction with the independent assessment report provided and determined to satisfy the requirements of clause 30(3) of the Animal Products (Dairy) Regulations 2005.

Opal Securedet has been recognised by MPI and is subject to the following conditions:

1. For use in accordance with label instructions.
2. Surfaces must be thoroughly rinsed with suitable water before further processing.

Should this product be determined to be unsatisfactory when used as recommended by the manufacturer or an agent of the manufacturer at the stated dosage, MPI may withdraw this approval and recognition.

Review

This recognition is valid for a maximum period of 5 years but is subject to periodic review and may be withdrawn at any time should the Director-General determine that there is sufficient evidence that the products are not fit for the purpose for which this recognition applies. You will be issued a letter prior to the review date, which is set at **29 November 2022** but you are responsible for ensuring that this review is completed if you wish to retain MPI recognition of the above dairy maintenance compound.

Yours faithfully
